TALGA's 26th Conference/AGM

Adelaide Hills Convention Centre
Hahndorf, South Australia
5th – 7th May 2021

*Growing your lavender business
and adapting to change*

TALGA invites all members and interested persons to attend the 26th Conference in the delightful region of the Adelaide Hills at Hahndorf Resort and Adelaide Hills Convention Centre.

Our hosts for this Conference are Peter, Thomas and Nicole Mahar of Hahndorf Lavender. Relatively new members to TALGA, they have been busy developing a broad acre lavender farm close to the centre of town. There will be much to see and learn about here. TALGA has also organised a tour to Jurlique Farm, and a visit to ABC Gardening Australia presenter Sophie Thomson, Sophie's Patch, at Mt Barker.

The full program is described in this brochure.

Register your attendance by completing the application form here.

All enquiries to:
secretary@talga.com.au
